

1ST NOAH SCHOOL

SUPRAMOLECULAR CHEMISTRY AND SUPRAMOLECULAR CRYSTALLOGRAPHY

NOAH INDUSTRY DAY

13-17TH MAY 2019

ICIQ, TARRAGONA (SPAIN)

How to arrive

ICIQ is located at the outskirts of Tarragona city Centre in the Avinguda Països Catalans, nº 16, 43007 Tarragona (<http://bit.ly/GetToICIQ>).

By plane - The nearest airport to Tarragona is Reus Airport, 13 km far from the city centre. From there you can get to Tarragona by taxi or bus.

Barcelona's airport is 90 km far away. Plana, a coach company, makes the route Barcelona Airport-Tarragona several times a day. The trip takes around 1h and 10minutes (from airport Terminal 1 and 2 to Tarragona). You can either buy your ticket online or directly on the bus (around 15 euros per journey).

By train - Trains from different origins (Barcelona, Madrid, Reus, Valencia) stop at Tarragona station. For information regarding timetables and prices visit the RENFE website. From there you can take the bus (number 41) to get to CaixaForum Tarragona. Please, note that if you have tickets for the high speed train (AVE) you have to stop at the Camp de Tarragona Station, which is located in Perafort, 14 km far from the city centre. From there you can get to Tarragona by taxi or bus (Plana).

Organizers

Accommodation

The AC Hotel Tarragona will offer special prices for participants in NOAH school. Please indicate the code "NOAH" when making your reservation.

How to get to ICIQ?

There are 3 city bus lines at walking distance from the ICIQ (approx. 1,50€ per journey)(number 54, 41 and 5). Most buses stop at the main roundabout in Tarragona *Plaça Imperial Tàrraco*, which is a good starting point to come to the ICIQ either by bus or walking if you are not familiar with the city.
